

BUSINESS MEN KEEP IN GOOD TRIM AT GYM.

No Cases of 'Flu' Reported
Among Members of Business Men's Classes.

NOON CLASSES ARE PROVING POPULAR

THE business men of the T. M. C. A. have had a fine opportunity to test out systematic exercise as a preventative against disease and all have expressed themselves as well satisfied with the test, if attendance can be taken as an indication. All classes have been well attended and the results derived from these workouts have been excellent. No cases of influenza have been reported among the regular attendees, which would lead one to believe that it pays to devote three or four hours a week to systematic exercise and play.

The noon class on Tuesday, Thursday and Saturday continues to enroll new members and it may be necessary soon to make a division of this unit. The Monday, Wednesday and Friday classes from five to seven have been doing strong and the volleyball games in this group have been the hardest played in the history of the class.

Handball is the big attraction on Tuesday, Thursday and Saturday evenings, but the volleyball games that follow are almost as well attended and as hard fought as those in the other business men's groups.

This is the best possible time for a new man to enter any of these groups, as there is a good percentage of new men as the result of the recent campaign. Physical director Holm is very anxious to get in touch with prospective members and help them arrange a schedule of exercise and recreation.

LIKE FIERY FLAMES ARE SKIN DISEASES

Itching and Burning Ofttimes
Almost Unbearable in its
Intensity

On the lips of those afflicted with skin disease is the eternal question, "How can I find relief from itching and burning and fiery irritation that keeps me in such constant torture?"

This pitiful appeal will continue to come from those who have been misled into the entirely erroneous method of using treatment that is at best only palliative and can have no curative effect because it does not reach the source of the trouble.

In severe cases where a person is suffering intense pain that is unbearable, physicians find it necessary to administer an opiate to give temporary relief. They do not, however, expect to cure the pain in this way, but seek at once to locate its cause and direct their treatment at its source.

A fire may start in the basement of a house, and the flames break out through the roof. Water thrown on the roof will not extinguish the fire, but the intelligent fireman will locate the source of the fire and soon put it out.

Just so with disease. The intelligent physician will tell you that the place to stop any disease is where it starts. Find the location of its origin, or its starting point, then you can apply treatment that will get results.

Scalped skin diseases are improperly treated in nine cases out of ten, which is one reason why so many people think them incurable. The real source of the trouble is overlooked.

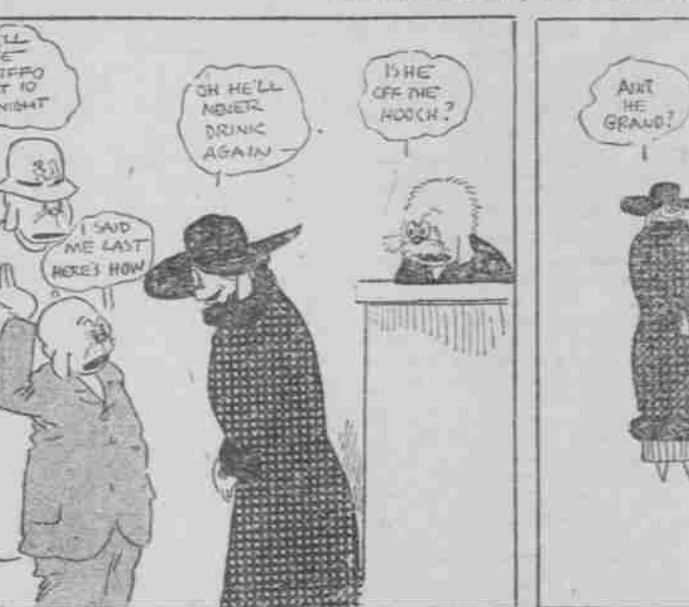

Whenever you see a person with a clear, ruddy complexion, with a healthy skin entirely free from pimples or blotches, you may be sure that their blood is free of all impurities.

Diseases of the skin, therefore, come from a germ which is in the

Every Company Of The 24th Infantry Has Grid Eleven

Fourteen Aggregations of Pigskin Chasers In One
Regiment Will Fight It Out For El Paso Trophy;
Keen Rivalry Promises Many Good Exhibitions Before Schedule Is Finished.

COLUMBUS, N. M., Nov. 6.—With 14 company football teams including headquarters and machine gun companies, the schedule of the 24th Infantry just completed promises to furnish plenty of hard battles on the gridiron.

The fact that the crack players—of which there are several—are rather evenly divided throughout the companies of the regiment promises

GUNDY AND PARR BILLED TO MEET

Whirlwind Gunner Promises to Give 'Giant Killer' Battle of His Life.

Glove sellers have been out of style at El Paso since strict measures to prevent influenza have been in force, but several of the big mitt experts have been in regular training, ready for the fray when restrictions are lifted.

According to reports one of the first bouts to attract widespread attention will be a 10 round affair between Kid Parr, of the 2nd field artillery, and Nick Gundy, featherweight champion of the border, Berenath cavalry. Mike Orison, boxing instructor of Fort Bliss, is looking about for several first-class attractions to entertain the soldiers and has looked Gundy and Parr for the main event of a show to be staged here.

"Kid" conditions and restrictions, the details of the show have not been announced, but it is understood that everything is ready and the contestants eagerly awaiting word "go."

Both Gundy and Parr have kept in condition during the "war" and are ready to go strong on short notice. The pair met once before, at which time Gundy is said to have had the better of the bout, but Parr's friends say that he has made wonderful improvement since meeting Gundy. Without doubt, Parr has shown decided improvement in late bouts, all of which he has won by good margins.

Gundy, too, has improved, as evidenced by the last meeting with Tommy Nelson. Regarding a recent challenge issued by Nelson to Gundy, the "Giant Killer" says that he is willing to meet Nelson at any time and place. "Nelson says he was not damaged in the last bout with Gundy Wednesday, but I am in the ring that after the sixth round he didn't know what round he was fighting and insisted at the end of the eighth and ninth that it was the end of the fight. Looks like he's in the bonnet so thick, were a bit damaging on the verge, at least, I would certainly like to have another crack at Tommy."

TWILIGHT GETS COMMISSION.
Pitcher Earl Yungling, left hander, is a second lieutenant now. He has completed the course in an officers' training camp and been awarded a commission. Temporarily he has been assigned to Camp Upton, near Brook- ington, Miss., where he is in charge of fighting first and a ball player second. He hoped soon to be sent overseas for active service.
